The Power of Planning in Wrestling: How Ideas Are Born and Changed

Professional wrestling is a meticulously planned entertainment form, blending athleticism with storytelling. Writers, promoters, and wrestlers collaborate to craft storylines that resonate with fans, generate excitement, and boost viewership. However, not every idea makes it to the screen; many are considered but ultimately abandoned due to various reasons such as creative differences, budget constraints, or unforeseen circumstances.

Understanding these "almost" plans gives fans insight into the immense effort behind the scenes and the fragile nature of wrestling storylines. Sometimes, a storyline change can turn a star into a legend or transform a wrestler's career trajectory entirely.

Major Wrestling Plans That Almost Changed the Game

1. The Undertaker's Retirement Match at WrestleMania 36

One of the most talked-about near-misses in recent wrestling history involves The Undertaker's supposed retirement at WrestleMania 36 in 2020. Originally, there were plans for him to have a grand farewell match, potentially against AJ Styles or even his longtime rival, Kane. However, due to the COVID-19 pandemic, the event was held without a live audience, and the planned emotional farewell was scrapped.

Instead, The Undertaker returned for another match at WrestleMania 36 against AJ Styles, which was critically acclaimed but lacked the emotional closure fans anticipated. Reports suggest that WWE had initially planned a heartfelt retirement segment, but the pandemic forced creative changes, making this plan almost happen but ultimately fall apart.

2. The Rock's Long-Awaited WWE Return in 2021

Dwayne "The Rock" Johnson is one of wrestling's biggest stars, and fans have eagerly anticipated his return to WWE for years. In 2021, there were intense rumors and backstage discussions about a possible comeback to confront Roman Reigns for the Universal Championship.

Initially, plans were set for the storyline to culminate at WrestleMania 37, with The Rock making a surprise appearance to challenge Reigns. However, scheduling conflicts, filming commitments for his Hollywood projects, and the ongoing pandemic led WWE to reconsider. The return was postponed, and the storyline was significantly altered, with plans for The Rock's involvement almost

happening but ultimately shelved for that year.

3. The Cena vs. Punk Rivalry That Almost Exploded into a Supercard Main Event

CM Punk and John Cena had one of the most intense rivalries in modern WWE history, culminating in Punk's infamous "pipe bomb" promo. There was a plan for a massive supercard event, possibly WrestleMania XXX, where these two would face off in a high-stakes match that could have defined WWE's future direction.

According to insider sources, the storyline nearly escalated to a point where Punk was set to win the WWE Championship and leave WWE with the title, creating a shocking departure. However, creative differences and backstage politics led to a different ending, with Cena winning and the rivalry being toned down. Had the original plan gone through, it could have resulted in a game-changing moment for WWE.

Fascinating "Almost" Plans That Could Have Reshaped Wrestling History

4. The NWO Reunited at WCW's Bash at the Beach 2000

The New World Order (NWO) was one of the most influential factions in wrestling history, transforming WCW and bringing a rebellious edge to the product. Interestingly, there was a plan to reunite the NWO during WCW's final days, specifically at Bash at the Beach 2000.

The idea was to bring back the original members—Hulk Hogan, Scott Hall, and Kevin Nash—alongside other legends to create a super faction that could have revitalized WCW's declining ratings. While some segments were filmed, the plan was ultimately shelved due to backstage conflicts, legal issues, and the company's impending sale to WWE. Had this reunion taken place, it might have extended WCW's life or altered the landscape of wrestling history.

5. The Ultimate Warrior's Return in 2014

The Ultimate Warrior's tragic death in 2014 shocked fans worldwide. However, before his untimely passing, there were secret discussions within WWE about a possible return for him during that year's WrestleMania season.

Sources indicate that WWE had considered bringing Warrior back to confront some of the newer stars and potentially pass on his legacy. This reunion could have served as a major nostalgia boost and a fitting tribute. Unfortunately, creative disagreements and Warrior's health issues prevented this plan from materializing. Had it happened, it could have been one of the most emotional

moments in wrestling history.

6. Stone Cold Steve Austin vs. The Rock ? The Clash That Almost Never Was

While Austin and The Rock eventually delivered some of the greatest matches in WWE history, there was a point where their rivalry almost never happened. Originally, plans were for Austin to feud with Triple H, and The Rock was to move on to other storylines.

However, a last-minute change in creative direction led to a plan where Austin and The Rock would face off at WrestleMania XV. This rivalry, which produced iconic moments, almost didn't happen, illustrating how fluid wrestling storylines can be.

7. The Shield's Formation ? The Original Plan That Nearly Didn't Happen

The formation of The Shield in 2012 is one of WWE's most successful factions. Interestingly, the original plan was for Dean Ambrose, Seth Rollins, and Roman Reigns to debut as singles competitors before forming an alliance later.

The idea of a stealthy faction of heels was almost abandoned, but creative executives decided to push the group from the outset. This decision turned out to be a turning point, as The Shield became a dominant force for years. It's a prime example of how near-misses can still lead to great success.

The Power of Planning: How Wrestling Promoters Shape the Industry

Before exploring the specific shocking plans, it's important to understand how wrestling promoters and creative teams operate. Behind the curtain, there's a complex web of storylines, character development, and strategic decisions aimed at maximizing fan engagement and financial gain. Sometimes, these plans are leaked or nearly executed, only to be scrapped at the last minute due to various reasons such as backstage politics, performer injuries, or audience reaction.

- The Almost Return of The Rock as a Full-Time WWE Superstar

The Original Idea

For years, WWE fans speculated about the possibility of Dwayne "The Rock" Johnson returning to the ring full-time. While he has made sporadic appearances, the company reportedly considered a bold plan around 2015-2016 to bring him back as a full-time competitor to elevate the product during a transitional era.

The Shocking Plan

According to insider sources, WWE's creative team once pitched a storyline where The Rock would compete in a series of high-profile matches, culminating in him winning a major title before his Hollywood commitments pulled him away again. The plan was to establish him as a dominant champion, perhaps even as a long-term heel or face, to solidify his status as an all-time legend.

Why It Almost Happened

- Scheduling conflicts with his Hollywood projects made it impossible to commit fully.
- Fan backlash against part-time wrestlers winning major titles.
- The rise of new stars like Roman Reigns and Seth Rollins, which WWE prioritized for long-term storytelling.

What If?

Had The Rock returned full-time during that period, it could have:

- Accelerated his rivalry with Roman Reigns, possibly leading to a blockbuster WrestleMania main event.
 - Changed the landscape of WWE's main event scene, overshadowing emerging stars.
 - Transformed his legacy from Hollywood superstar to full-time wrestling icon.
-
- The Almost Formation of a "New World Order" (nWo) Sequel

The Backstory

The original nWo faction in WCW was one of the most influential and shocking storylines in wrestling history, debuting in 1996 and changing the industry's direction. Rumors have perpetually circulated about a potential reunion or a new faction inspired by the nWo.

The Near-Miss

In 2020, WWE reportedly considered creating a new "nWo 2020" storyline involving current top stars. The plan was to have a faction that would blur the lines of authority and chaos, reminiscent of the original nWo's rebellious spirit. The idea was to introduce a faction led by a prominent veteran (possibly Hulk Hogan or Kevin Nash) alongside current stars.

Why It Fell Apart

- Legal and branding issues: WWE owns the rights to the nWo name, but licensing certain trademarks proved complicated.
- Creative concerns: Some executives worried the nWo gimmick was overused and might not resonate with modern audiences.
- Backstage politics: Disagreements over which stars would be involved and the faction's direction derailed the plan.

What If?

A successful nWo reboot could have:

- Revived the faction's mystique and influence.
- Created a compelling "outsider" storyline that challenged WWE authority figures.

- Elevated certain stars into main-event status through association or opposition.

- The Almost "Stone Cold" Steve Austin Heel Turn

The Classic Face

Steve Austin is best remembered as the rebellious antihero who defied authority and became one of the most beloved babyfaces in wrestling history. However, backstage plans almost saw him go heel during the Attitude Era.

The Shocking Plan

In the late 1990s, WWE creative considered a storyline where Austin would turn heel and join forces with Vince McMahon, effectively becoming a corporate villain. This plan was temporarily approved and even scripted in some segments, with Austin initially showing signs of heel behavior.

Why It Was Never Fully Executed

- Audience reaction: The fans' love for Austin as a rebellious hero made a heel turn politically risky.
- Austin's own preference: He was reluctant to turn heel, fearing it would diminish his connection with fans.
- Timing issues: The plan was shelved during a period when WWE wanted to preserve Austin's anti-establishment persona for maximum impact.

What If?

Had Austin turned heel:

- His rivalry with McMahon might have taken a darker, more complex route.
- The Attitude Era could have shifted from a rebellious antihero story to a more traditional villain storyline.
- It might have altered the trajectory of his career, possibly limiting his popularity.

- The Near-Miss of a "Mega-Push" for Ryback

The Rise of "The Big Guy"

Ryback was positioned as a dominant force during WWE's Ruthless Aggression era, with a storyline that almost made him the face of the company.

The Shocking Plan

In 2013, WWE creative reportedly planned a lengthy push for Ryback, including multiple title reigns and a dominant feud with John Cena. The goal was to establish him as a top-tier star and a new 'beast' persona.

Why It Didn't Happen

- Backstage disagreements: Some veterans and creative staff doubted Ryback's ability to carry the main event.
- Fan reception: Audience indifference and negative reactions to his character slowed down the push.
- Injuries and inconsistent booking: These factors derailed the plans, and Ryback's momentum was lost.

What If?

A successful push could have:

- Elevated Ryback to top-tier status for years.
- Created a dominant new star capable of main-eventing WrestleMania.
- Shifted the landscape of WWE's mid-card hierarchy.

- The Almost 'Ultimate Warrior' Return That Never Was

The Legend's Return

Ultimate Warrior's sudden passing in 2014 left fans wondering if WWE would ever bring him back for a farewell or special appearance.

The Shocking Plan

In the months before his death, WWE was reportedly negotiating a storyline that would have seen Warrior return for a Hall of Fame induction and possibly a final match or segment to honor his legacy.

Why It Didn't Happen

- Timing: Warrior's health was declining rapidly.
- Creative disagreements: There were disagreements over how to best utilize his character.
- His death: Ultimately, Warrior passed away before any plans materialized.

What If?

Had Warrior returned:

- It would have been a monumental event, perhaps headlining a WrestleMania.
- His return could have sparked a new wave of nostalgia and renewed interest in his character.
- It might have paved the way for a final match or a meaningful send-off.

Conclusion: The Power of Near-Secret Plans in Wrestling

The world of professional wrestling is filled with 'almost' moments/plans that were crafted behind the scenes but ultimately never saw the light of day. These near-misses are a testament to how dynamic and unpredictable the industry is, where creative visions can be shelved or dramatically altered in an instant. Whether it's legendary stars returning, factions reforming, or storyline turns, these shocking plans remind us that wrestling's history is full of tantalizing possibilities that could have changed everything.

While some of these plans remain secret or are only pieced together through insider leaks, they continue to fuel speculation and imagination among fans and industry insiders alike. The beauty of wrestling lies in its unpredictability—and sometimes, the biggest surprises are just a plan that almost was.

Question What are some of the most shocking wrestling plans that almost happened but were kept secret? One of the most shocking plans was the rumored heel turn of John Cena in 2017, which was almost executed to shake up the roster. Another was the planned unification of WWE and WCW titles in the early 2000s, which nearly happened before WCW was purchased. These plans, if executed, could have drastically changed wrestling history. Did WWE almost have a surprise return of a legendary wrestler that fans never saw coming? Yes, there were secret plans for The Rock to return as a surprise during WrestleMania 36, which almost happened but was ultimately canceled due to the COVID-19 pandemic. Fans were stunned to learn about this backstage plan that nearly came to fruition. Were there any major storyline twists that were almost revealed before their official announcement? Indeed, the planned reveal of the 'Broken Universe' storyline involving Matt Hardy was almost leaked early, which could have spoiled the surprise. WWE kept it under

wraps until the perfect moment to unveil it, showing how close they came to losing control of the surprise. Has there ever been a plan for a shocking tag team or faction that almost materialized? Yes, there were secret plans to form a faction between Brock Lesnar and Roman Reigns as an alliance to dominate the roster, which almost happened in 2018. The storyline was scrapped at the last minute, leaving fans disappointed. What was a close call for a major championship change that almost shocked the wrestling world? One near-miss was when Kofi Kingston was slated to win the WWE Championship at WrestleMania 35, which was kept under wraps until the moment. However, plans shifted, and Daniel Bryan retained, making the Kingston victory even more surprising in a different scenario. Are there any plans for shocking cross-promotional matches that almost took place? There were discussions about a WWE versus AEW inter-promotional match involving top stars from both promotions. While it almost happened in 2022, logistical issues and company decisions prevented it from materializing, leaving fans craving the possibility. Did WWE ever have secret plans for an unexpected championship title change that almost happened? Yes, there was a plan for Becky Lynch to drop the Raw Women's Championship to Ronda Rousey at SummerSlam 2018, which was kept secret until the event. Such plans are often tightly guarded to maximize shock value. Have there been any almost-revealed shocking storylines that fans narrowly avoided spoiling? Yes, in 2020, fans nearly leaked the storyline involving Edge's return and his subsequent heel turn before it aired, which WWE managed to keep under wraps. This shows how close some plans come to being spoiled online. What are some examples of wrestling plans that almost changed the face of the industry? The almost unification of WWE and TNA titles in 2010, and the early plans for a 'super show' featuring top stars from multiple promotions, could have revolutionized wrestling. Although they didn't happen, these ideas demonstrate how close the industry came to major shifts.
