Plot Summary and Narrative Structure

The Premise

At its core, *Nothing* narrates the story of a group of teenagers in a small Danish town who, overwhelmed by the apparent meaninglessness of life, decide to perform an extreme social experiment: to give up everything that gives life significance—values, possessions, relationships—and see how they survive in a world devoid of purpose.

Key Events

- The Declaration: The story begins with the protagonist, Pierre Anthon, who declares that life is meaningless and that nothing matters. His nihilistic outlook sparks a chain reaction among his peers.
