Unlike conventional travel books that focus primarily on attractions, Monocle's approach emphasizes local insights, design standards, and sustainable travel practices.

The guiding philosophy is to present cities as living, breathing entities shaped by their history, architecture, people, and ideas. The guides celebrate urban innovation, craftsmanship, and community, encouraging travelers to engage authentically with their destinations.

Design and Presentation

A hallmark of the Monocle guides is their sophisticated design—clean layouts, high-quality paper, and minimalist aesthetics. They combine stunning photography with clear, digestible text, making the guides both functional and visually appealing. For Copenhagen, the guide's design reflects the city's reputation for functional design and aesthetic minimalism, mirroring Danish sensibilities.
